### **Superintendent's Report to School Committee**

**February 13, 2024**

#### **Franklin Panther Pride Night**

Franklin Panther Pride Night was held on February 12, 2024, for students and families of the Class of 2028. They were invited to Franklin High School to learn about the exciting academic offerings, athletics, clubs, and activities available to students. Our FHS Principal, Mr. Hanna, facilitated the presentation to families and was joined by instructional leaders. The FHS leadership team organized the clubs, activities, and sports available to students in the gymnasium. We hope that over the course of the evening, students and families who attended were left with a sense of excitement and enthusiasm for the opportunities available to students at FHS.

#### **Half Professional Development Day**

Friday, February 2 was a half day for students. PK educators engaged in safety care training, and continued learning about the new IEP. Elementary educators furthered their professional learning related to Science of Reading and secondary educators focused on UDL, curriculum development, and assessment. The next half day for students is scheduled for Wednesday, February 28.

#### **February Break**

Scheduled for next week, February 19-23. We wish students and staff a safe and restful break.

#### **Spring Conferences**

Spring conferences are approaching for families with students in grades K-8. There are two early release days scheduled for March 5 and 6. Please be on the lookout for communication from your building administrator or teachers.
