Dear Dr. Ahern,

The Franklin Education Foundation (FEF) has supported innovation and excellence in the Franklin Public Schools (FPS) for twenty-five years. Since its founding in 1997, the FEF has raised funds through multiple events and graciously received general donations. These funds have made possible the awarding of hundreds of grants to FPS faculty, staff, and administrators, as well as donations to the School District.

The Franklin Education Foundation is honored to present this check for twelve thousand dollars (\$12,000) to the Franklin Public Schools through the Franklin School Committee. The funds are to be used for innovation and excellence in education through the District Leadership's support of curriculum and projects related to STEAM with consideration of diversity and social emotional learning.

The FEF looks forward to learning how the funds will be used.

Sincerely,

The Franklin Education Foundation Board of Directors
