Dear Superintendent Giguere,

The Franklin Education Foundation (FEF) is collaborating with Ms. Erica Payne, Sr. Adv. Electrical Engineer, General Dynamics, Mission Systems on the awarding of their very generous \$1,000 grant to the Franklin High School (FHS) Robotics Club.

The FEF became involved because the grant needed to be awarded to a certified 501©3 organization. Communication among and between General Dynamics, Mission Systems, Franklin High School, Franklin Public Schools Business Department, and the Franklin Education Foundation identified this pathway for the donation. We would like to recognize Ms. Erica Payne, General Dynamics, Mission Systems, Ms. Alyssa Taranto, FHS faculty member and Robotics Club Faculty Advisor, Ms. Miriam Goodman, School Business Administrator, and Mr. Harsha Gurumurthy, FEF Treasurer for making this collaboration a reality.

Please find the enclosed check for \$1,000, representing General Dynamics, Mission System's donation, made payable to the Town of Franklin for the benefit of the FHS Robotics Club.

We are grateful to General Dynamics, Mission Systems and wish the FHS Robotics Club every success!

Sincerely,

The Franklin Education Foundation Board of Directors
