Franklin School Committee

Dear Dr. Bergen,

As discussed with members of your Music Program administration, Donna and I wish to donate a synthesizer/controller/workstation with powered speakers and a studio worktable to the Franklin High School. This workstation has served us beautifully over the last 15 years, and we'd love to see Franklin's students now benefit from it as well, having seen our two sons flourish in our school system.

Originally purchased for between \$5000 and \$6000 all in, the current market value is roughly \$2500. All relevant materials and documentation will be included.

If you have any questions, please call me at 508-846-0751, or write to me at [asadams@dean.edu](mailto:asadams@dean.edu). As I mentioned to Ms. Diane Plouffe, we would need you to come pick it up, but I will have it disassembled and appropriately labeled for re-assembly.

Sincerely,

ALAN & DONNA ADAMS
