Superintendent of Schools

Franklin, MA 02038

Dear Dr. Ahern,

The Franklin Education Foundation (FEF) is collaborating with Ms. Leah Filipkowski of Dell Technologies on the awarding of their very generous \$3,500 grant to the Franklin High School (FHS) Robotics Club.

The FEF became involved because the grant needed to be awarded to a certified 501©3 organization. Communication among and between Dell Technologies, Franklin High School, Franklin Public Schools Business Department, and the Franklin Education Foundation identified this pathway. We would like to recognize Ms. Leah Filipkowski, Dell Technologies, Ms. Alyssa Taranto, FHS faculty member and Robotics Club Faculty Advisor, Ms. Miriam Goodman, FPS Business Administrator, and Mr. Harsha Gurumurthy, FEF Treasurer for making this collaboration a reality.

Please find the enclosed check for \$3,500, representing Dell Technologies' donation, made payable to the Town of Franklin for the benefit of the FHS Robotics Club.

We are grateful to Dell Technologies and wish the Robotics Club every success!

Sincerely,

The Franklin Education Foundation Board of Directors
