Re: Franklin High School Class of 2020

School Committee Policy JJFG, Disposition of Student Activity Accounts, describes how two student representatives of the graduating class are to be designated to receive remaining student activity account funding. The policy encourages the expenditure of funds through the senior year and limits the amount of carryover to these representatives to \$10,000. This money is intended to be used for future class activities, such as reunions.

Due to the extended school closure and the elimination of numerous Class of 2020 events this spring, the Class of 2020 Activity Fund balance exceeds \$10,000. Additionally, this Class wishes to host additional activities this summer when health data support a celebration.

Due to the unusual circumstances during this global pandemic, I recommend that the School Committee authorize the designated Class of 2020 representatives to transfer a total of \$20,000 to their independent account.
