Re: 2019-20 School Calendar Adjustment

Date: May 7, 2020

The original school calendar scheduled May 8 as a half day for students and a professional day for faculty. With our remote learning environment, this was overlooked and the schedule for May 8 was consistent with previous weeks of remote learning including afternoon activities for some students. We did not wish to change the schedule on anyone at a late date last week as we were aware that remote learning plans were communicated previously to families.

I ask the Committee to adjust the 2019-2020 School Calendar to move the half day to May 22. This half day is based on a contractual agreement in the Collective Bargaining Agreement.

We will modify remote learning that day and will communicate an altered remote schedule in advance so that families and faculty/staff can plan.
