RE: Proposed 2018-19 School Calendar

A proposed 2018-2019 school calendar is included in your packet and I request that the School Committee vote to approve this calendar at the December 12, 2017 School Committee meeting.

In revising the proposed calendar, I considered the School Committee members' feedback from the discussion at the November 28, 2017 meeting and moved one of the half-day professional development days to immediately precede a school vacation. I also examined the parent conference days and collected information about families with students across all three schools. I continue to recommend that the parent conference dates coincide across levels.

I look forward to sharing my thoughts with you on December 12, 2017.
