Portrait of a Future Franklin Public Schools Graduate

School Committee Presentation
November 10, 2020

Introduction of POG

- Portrait of a Graduate (POG) is a snapshot of what an FHS student will practice and develop towards their graduation

- POG will serve as an **umbrella** for all other initiatives in the district
  - "Northstar for system transformation"

Introduction of POG

- Encompasses learning experiences from PreK to Grade 12 (and beyond)

- *Future ready* contributors to society, in college or careers and beyond

- POG process defines the skills students require and is created by building consensus from the community

Development Process

- Began with Professional Development in the Fall of 2018 with EdLeader21 and other like minded districts

- Built Consensus in the Community (January -- September 2019)
  - Focus groups: administrators, SC, faculty/staff, community groups (families, students, elected officials, business partners, higher education partners), SEPAC

  - Shared at Senior Center, Community Coffees, Festivals for ideas and input

We knew we were onto something special!

Our office white board became a conversation topic during meetings and interviews. Representative Jeff Roy took a picture when we convened here about his efforts on NCSL Student-Centered Learning Commission.

Development Process

- Sought Feedback on Initial Drafts (Winter 2019-March 2020)
  - Reconvened Focus groups
  - Surveyed community
  - Convened middle school and high school students for feedback and discussion
  - Developed several iterations

- Draft began to inform work in the district
  - "Understanding by Design" curriculum workshop for leaders in district 2019-2020 incorporated elements of the Portrait of a Graduate
  - Building Principals have been using this with their faculty

- *Confident and Self-Aware Individual*

- *Empathetic and Productive Citizen*

- *Curious and Creative Thinker*

- *Effective Communicator and Collaborator*

- *Reflective and Innovative Problem Solver*
