d. Summary of trip

At the mall, students will be engaged in math related activities, and will attend a showing of a movie *Born To Be Wild 3D* at the IMAX Theater. This trip is similar to the one approved the last 10 years.

To solidify real life math skills. Math activities cover the following Common Core Learning Standards: 8.N.1, 8.N.3, 8.N.8, 8.N.10, 8.N.11, 8.N.12, 8.D.2, 8.D.3.

Cooperative Learning – students of varying learning styles and math level will work together to complete their group's packet. Following our return, the groups will meet again to make sure their packet is complete, and that all members understand the material, and are capable of completing it on their own. Individual assessments will be given the following week.
