Superintendent's Report to School Committee November 28, 2023

Inclimate Weather/Snow Update

As this is New England, we are apt to have days when the weather is inclement, and it is important our families understand how the process works to be as prepared as possible. I sent a letter to families last week with details regarding inclement weather procedures. That information can also be found on our website under the "About Us" tab - [Inclement Weather Notice](#).

I invited our Department of Public Works Director, Mr. Brutus Cantoreggi, to our next meeting, where he will share a "Snow Presentation" for you and the community. I anticipate this presentation to be informative, and we have not had an update in multiple years.

Franklin Theatre Co.

I wanted to take a moment to recognize the entire cast and crew of FHS Theatre Co. under the direction of Mr. Skyler Grossman, FHS Theater Arts teacher, for their hard work and dedication toward an amazing production of "Legally Blonde." Seeing such a great turnout by the community was a pleasure, and we were thrilled to have our students' talent showcased.
