Subject: Surplus Food Service Equipment

Franklin Public Schools Food Service Department has assessed that there are two pieces of equipment that are surplus. There are two full sized mixers that are no longer utilized for our production style and they are taking up valuable production space.

Remington-Jefferson has a Hobart L-800 Floor Mixer that has not been used in years. The unit is functioning and in fair condition.

Horace Mann also has a Hobart L-800 Floor Mixer that has not been used in years. The unit is functioning and in excellent condition.

It would be my recommendation to remove these pieces from our facilities and either sell or dispose of them.

Sincerely,

Colin Boisvert
Director of Food Services
