Re: Monthly Financial Report

Attached please find the expenditure report for the school department general appropriation including all expenses posted through February 28, 2020. All expenses are categorized into salary accounts and non-salary accounts, so when I use the broader term expenses, it would be inclusive of salaries.

Transfers are included for your approval at the March 24th meeting. Transfers are included for technology (2250) expenses for parts for device repairs throughout the district. Transfers for general supplies (2430) and textbooks (2410) are included for items purchased centrally that support school needs. I do not anticipate a need for further reclassification of expenses from revolving accounts, so in the upcoming months, you will likely see transfers for athletics (3510) and transportation (3300). As we begin to close out the fiscal year, we continue to monitor overages in tuitions (9400), and may still need to transfer into that account at a later date.

**Revolving Accounts**

Included is a summary of revolving account balances.

Please contact me prior to the meeting with any questions you might have. Thank you.
