Re: Monthly Financial Report

Attached please find the expenditure report for the school department general appropriation including all expenses posted through December 4, 2018 (including salaries). As you know, revolving funds have been allocated to offset this FY19 appropriation budget. Reclassifications from revolving accounts will occur throughout the year, however, until they are completed, you may notice a negative balance on this report. The accounts impacted are Pre K teachers, tuition, transportation, athletics, and healthcare (from grants).

Total Appropriation:	$63,235,000
Less:	
Salaries Expended to date	$16,751,600
Salaries Encumbered to date	$35,283,332
Expenses Expended to date	$3,636,123
Expenses Encumbered to date	$8,089,961
Balance	**($526,016)**

Transfers will be presented in the January report to account for some of these changes and are for your approval at the next meeting.

The following accounts appear over expended at this time. Currently, we continue to review all salary encumbrances and adjustments are being made as necessary to some of these accounts. Non-salary accounts are also being closely monitored as a result of the offsets from revolving accounts (circuit breaker, athletics and transportation). Transfers and reclassifications from revolving will be presented at the January meeting for your approval.
