Oak Street Vision

The vision of Oak Street Elementary School is to empower students to develop a passion for learning and possess the skills needed to engage in future academic, social, and professional opportunities.

Oak Street Mission

As members of the Oak Street school, we believe that all students deserve access to a high-quality education, and as professionals, we commit to the following actions to support this growth in the following areas:

- Develop students' **social and emotional** skills through programs and practices that enable all students to acquire knowledge, attitudes, and skills associated with the core competencies for social-emotional learning.
- Create **personalized learning opportunities** by using student interest as well as formative data to develop engaging learning experiences where students are asked to problem solve, think critically and persevere with cognitively demanding tasks.
- **Establish relationships and mutual respect** with students in order for them to be their best selves to foster positive behaviors and increase academic success.
- **Partner with families** to strengthen the academic, social, emotional, and physical development of students in order to prepare them for future opportunities.
- Develop an **inclusive school environment** by providing a variety of instructional settings tailored to students' needs to develop self and social awareness skills.
- Create conditions for a school environment where **teacher collaboration** is rooted in reflective practice, and we provide each other with diverse opinions about the practices that support student growth.
