Franklin ECDC Community Peer Enrollment Guidelines

ECDC generally has more applications than openings annually. In the event that this occurs, a lottery will be held. In order to make the system fair for all, the following guidelines will be followed:

1. The ECDC Lottery will be advertised locally and online and will be held on **February 10, 2023**
2. The ECDC Lottery is open to FRANKLIN residents who will be at least 3 years old by **August 31, 2023**, and will not be eligible to attend kindergarten by that same date.
3. **Returning Student applications** received on or before **January 27th** will be given preferential "returning student" status.
4. Priority will be assigned as follows:
 1. First to ECDC community peers in their current placement
 2. Next to ECDC community peers seeking a new placement
 3. Next to siblings of **CURRENT** ECDC students
 4. Next to new families enrolling at ECDC
5. Applications will be selected randomly according to the availability in each classroom (although effort will be made to accommodate preferred choices, they are not guaranteed).
6. Applicants will be notified via email after the Lottery and have 10 days to accept or reject the slot and solidify enrollment with a paid, non-refundable deposit (the equivalent of one month's tuition).
7. All additional slots will be filled first by randomly selecting another name from the waiting list pool.
8. **Once that pool has been exhausted, any open slots will be filled on a first-come, first-served basis.**

I have read the description of the lottery system and understand that completing this application does not guarantee my child's placement in this program.
