

## *Franklin Newcomers and Friends*

We are so pleased to welcome Steve Sherlock at our next meeting. He single-handedly created Franklin Matters in 2007, a daily source of information about everything that matters in Franklin. Anyone can sign up for a free subscription on [Franklinmatters.org](http://Franklinmatters.org). In addition to attending local government meetings, school events and supporting local community organizations, Steve provides some photo journalism as he reports on his weekly walks around our community. He is a true treasure in Franklin; a local hero!

Come join your friends and neighbors at the Franklin Newcomers and Friends monthly Meeting. Meet us upstairs at "3" Restaurant on **Wednesday, March 11th at 7:30.**

No need to be a newcomer to the area . . . and no need to RSVP. Come join us and have fun while you make connections in your community. We are a multi-generational club offering a wide range of activities for all ages with an emphasis on fun and camaraderie. We are a member driven organization and are always excited to welcome new faces and new ideas.

Residents of Franklin, or any surrounding town that doesn't have a Newcomers Club, are welcome to join us the 2nd Wednesday of the month (occasionally we switch Wednesdays to accommodate holidays or speakers). We run our meetings September through May. We meet at "3" Restaurant, 461 W. Central Street, Franklin, upstairs in a private room. Complimentary hot appetizers and beverages are provided and a cash bar is available.

Additionally, we hold many fun and varied events to stay connected throughout the year. Look for us on our website [www.franklinnewcomers.com](http://www.franklinnewcomers.com), or on our **Facebook** page or on [Meetup.com](http://Meetup.com), Franklin Newcomers & Friends Club.
