## Benefits Eligibility

As Franklin Public School employees, we are also Town of Franklin employees, and as such we have the opportunity to participate in the Town’s Health and Welfare Benefits Program. In order to be eligible for these benefits an employee needs to be scheduled to work more than 19 hours per week on a continual basis. Substitute and seasonal employees are not eligible unless they are working a consecutive assignment for no less than 6 months.

The following pages will offer an overview of your “hidden paycheck”, the benefits and discounts available through the Town of Franklin and Franklin School Department. The information provided here is only a summary however. For complete details, please refer to the Summary Plan Descriptions, or other documentation available through your Human Resources Department. While we make every effort to provide you with consistent sources of information about your benefits, in the event of a discrepancy, the applicable plan documents/contracts will control.

## Health Insurance Coverage

All permanent employees who work more than 19 hours per week are eligible to participate in the Town’s Health Insurance Program. Currently the plan is provided through Harvard Pilgrim Health Care. There are two plan options available:

**ChoiceNet Best Buy HMO** - you choose a primary care physician who works closely with you to coordinate all of your care, in sickness and in health. The deductible is \$400 for an individual and \$1,000 for family. The Plan-Year out-of-pocket limit is \$5,000 per person/\$10,000 per family for medical and pharmacy expenses. This is the most that you could pay in a year for covered services. Some services do have a co-payment. Please visit Google/Drive/Team Drives/All School Staff/Human Resources Info & Services/Health & Dental Ins. Info for a complete Schedule of Benefits.

**The town pays 68% of the plan premium.**

<b>HPHC ChoiceNet Best Buy HMO</b>	<b>FY20 Monthly Premium</b>	<b>Monthly Town Contribution</b>	<b>Monthly Employee Contribution</b>	<b>Employee Bi-Weekly Rate</b>	<b>Bi-Weekly 10 months or 22 pay cycles</b>
Individual	\$795.80	\$541.14	\$254.66	\$127.33	\$152.79
Family	\$2,033.70	\$1,382.92	\$650.78	\$325.39	\$390.47

**Best Buy HSA HMO** - The HSA BEST BUY plan has a lower premium than the HMO or PPO plans, but has a higher deductible amount of \$1,500 for the Individual Plan and \$3,000 for the Family Plan. There are no individual contribution limits within the family deductible. This means that individual family members will continue to pay deductible expenses until the total family deductible amount is reached. After the full, annual family deductible is met, family members on your policy no longer have to make payments toward the deductible. After meeting the deductible, medical services are then covered in full (at no cost), except for prescriptions which then revert to co-pays.

**You may visit [www.Harvardpilgrim.org](http://www.Harvardpilgrim.org), click "Find a Provider" and then click HMO under Standard Plans to search for your providers and see if your Doctors are covered.**

**Health Savings Account-** Health Savings Accounts (HSA) are only available to employees enrolling in Qualified High Deductible Health Plans. HSA's are accounts owned by the subscriber that can be used to pay for qualifying out-of-pocket medical expenses. Contributions can be made via payroll on a pre-tax by the employee and employer. The total value deposited into an HSA into an HSA rolls-over every year and the account is portable for life.

**(FY20 Town Contribution** – The Town will contribute \$750.00 per individual plan and \$1,500 per family plan to a Health Savings Account). This contribution will happen in September 2019.

<b>Best Buy HSA HMO</b>	<b>FY20 Monthly Premium</b>	<b>Monthly Town Contribution</b>	<b>Monthly Employee Contribution</b>	<b>Employee Bi-Weekly Rate</b>	<b>Bi-Weekly 10 months or 22 pay cycles</b>
Individual	\$678.62	\$461.46	\$217.16	\$108.58	\$130.29
Family	\$1,734.27	\$1,179.31	\$554.96	\$277.48	\$332.98

**The town pays 68% of the plan premium.**

**Choicenet Best Buy PPO** – The national provider network plan. You are not required to have a Primary Care Provider (PCP) or obtain referral. However, you need to utilize physicians and specialists within the Harvard Pilgrim Health Care network. The plan's overall deductible is \$400 for an individual and \$800 for family. The Plan-year Deductible for **Out-of-Network** is **\$400** per person and up to **\$1,000** per family. The Plan-year out-of-pocket limit is \$4,000 per person/\$8,000 per family (includes in-network medical and pharmacy expenses and out-of-network medical expenses). Most out-of-network services have a 20% co-insurance after deductible. Please visit Google/Drive/Team Drives/All School Staff/Human Resources Info & Services/Health & Dental Ins. Info for a complete Summary of Benefits.

**The town pays 50% of the plan premium.**

<b>HPHC Choicenet Best Buy PPO</b>	<b>FY20 Monthly Premium</b>	<b>Monthly Town Contribution</b>	<b>Monthly Employee Contribution</b>	<b>Employee Bi-Weekly Rate</b>	<b>Bi-Weekly 10 months or 22 pay cycles</b>
Individual	\$988.51	\$494.27	\$494.24	\$247.12	\$296.54
Family	\$2,753.05	\$1,376.55	\$1,376.50	\$688.25	\$825.92

### **Office Co-Pays**

**HMO** - Many routine services do not have a co-payment; however, other services may have a co-payment after deductible.

**PPO** - Many in-network routine services do not have a copayment; however, other services may have a co-payment after deductible. All Out-of-Network services will have a 20% co-insurance after the deductible.

## **Prescription Drugs**

We will now have a Prescription deductible for the all HMO and PPO plans as follows:

HMO - \$80 per individual/\$200 per family

PPO - \$100 per individual/\$200 per family

- Tier 1 - \$10 (retail)/\$30 (mail order - \$20.00)\* deductible, then copayment
  - Tier 2 - \$30 (retail)/\$90 (mail order - \$60.00)\* deductible then copayment
  - Tier 3 - \$65 (retail)/\$195 (mail order - \$130.00)\* deductible then copayment
- \*Retail is for up to a 30-day supply, mail order is for up to 90 day supply

**Our Mail Order prescription provider is now through MedImpact Direct. Brochures and forms are on Google Drive/Team Drives/All School Staff/HR Info & Services/Health & Dental Insurance Info.**

Coverage begins from your first day of employment. If you wish to enroll you must do so within 30 days from your date of employment or wait until open enrollment, unless you experience a “qualifying event”. Deductions come out each pay period. Deductions are taken out on a pre-tax basis, lowering your taxable income. Enrollees must pay one month’s premium in advance so double deductions are taken for the first few pay periods of a new employee. Upon resignation or dismissal, health coverage ends on the date of separation from Franklin Public Schools. Continuation of Coverage (COBRA) is offered, as appropriate.

Harvard Pilgrim’s Preventative Dental is limited as it is a medical benefit not a Rider.

- No charge – coverage up to age 13
- Limited to 2 preventative dental exams per plan year and includes only the following: cleaning, fluoride treatment, teaching plaque control and x-rays
- Please visit [www.harvardpilgrim.org](http://www.harvardpilgrim.org), find a provider, click Choicenet HMO, then specialist, then pediatric dentistry.

## **Dental Insurance**

All permanent employees who work more than nineteen (19) hours per week are eligible to participate in the Town’s Dental Insurance Program. Currently the plan is provided through Guardian Dental. You get to choose from a High Option Plan or a Low Option Plan. With the High Option the premium is higher but the benefits are greater, covering a higher percentage of the usual and customary rates (UCR). The Low Option does not provide for Group 3 Coverage, such as crowns, bridges, and has a lower (\$750) annual per family maximum. Both options offer a 4 tier member election; Single Employee, Employee & Spouse, Employee & Child (ren), and Family. Coverage is effective the first day of employment. New employees have **30 days** from the date of hire to enroll or they must wait until Open Enrollment unless they experience a qualifying event. Deductions for Dental Insurance are pre-tax and will be deducted per pay period.

The plan options both offer preventive benefits at full coverage with no deductible for such things as initial exams, x-rays, routine cleanings, fluoride treatments sealants, etc. They also have a \$50 per member/\$150 per family calendar-year deductible, for basic and major coverage which, includes: restorative care, fillings, tooth extraction, root removal, biopsies, periodontal surgery, and

maintenance, root canal therapy, crowns, repairs of crowns, etc. The plan includes a passive PPO that means you can go to a provider of your choice; however, if you go to an in-network provider discounted fees will apply resulting in lower out-of-pocket expenses. The annual calendar year maximum benefit for the high option per member is \$1,000.

**VISION ACCESS PLAN:** A person enrolled in dental coverage can receive discounts on vision care services or supplies from a vision provider that is under contract with Vision Service Plan's (VSP's) Preferred Provider Organization (PPO) network. The eligible person must pay the entire discounted fee directly to the VSP network doctor. Discounts are not available from providers who are not members of VSP's network. You will find more information at [www.Guardianlife.com](http://www.Guardianlife.com)

**Vision Plan is not an insurance plan but a discount, ask your vision care provider if they participate.**

**PLEASE NOTE: GUARDIAN DOES NOT ISSUE CARDS. YOU MAY PRINT YOUR 'CARD' ONLY BY FOLLOWING THE INSTRUCTIONS ON GOOGLE DRIVE/TEAM DRIVES/ALL SCHOOL STAFF/HR INFO & SERVICES/HEALTH AND DENTAL INSURANCE.**

### **“Qualifying Events”**

You may not enroll, drop or change your health or dental coverage at any time. Generally, the coverage you elect remains in effect until the next annual enrollment period. This applies even when you select the “no coverage” option. There must be a significant, documented, qualifying event or change in family status to change your elections during the year. These events include:

- Marriage
- Divorce
- Birth, legal guardianship, or adoption of a dependent child
- A dependent child becomes an eligible full-time student
- A dependent child reaches the maximum age limit for coverage under a family contract
- A member reaches age 65
- Death of a spouse or dependent
- Loss or gain of coverage due to a change in your spouse's employment status
- Cancellation of another health plan due to the termination of an employer's contribution
- Open enrollment period different than that of a spouse

An enrollment & Change form must be filled out and submitted, along with documentation outlining the event, to Human Resources within 30 to 60 days of the qualifying event. However, changes will take effect the date of the actual qualifying event. If not, you will have to wait until the next open enrollment to make your change.

### **Basic Life Insurance/ Accidental Death & Dismemberment**

Voluntary enrollment for employees. Must enroll within 30 days from date of hire or during open enrollment, if offered. Open enrollment is at the discretion of the Insurance Company and all employees would be notified if there is an Open Enrollment. Life insurance coverage is currently offered in the amount of \$10,000. Includes Accidental Death & Dismemberment Insurance, which provides extra insurance coverage in the event of an accidental death or accidental loss of limb or eyesight. Both offered through Boston Mutual Life Insurance Company. The effective date of coverage begins 30 days from the date of hire to the first of the following month.

The policy also has a Waiver of Premium Benefit, which means if you are under age 60 and become totally disabled while insured under this plan, your life insurance will remain in force and your premium payments waived. Upon retirement, this policy continues with a face value of \$5,000 Life and Accidental Death & Dismemberment. There is also a conversion benefit, which enables you to convert your group life insurance to a whole life policy if you leave your current employment or a portion of the face amount when your insurance reduces due to retirement.

The monthly premium for this policy is \$9.80, of which the Town will pay 50%. Payment for this policy is payroll deducted and the entire premium for the employee is \$4.90 per month. Employee must list a beneficiary at time of enrollment. Any beneficiary changes should be indicated on a beneficiary change form available from Human Resources.

Once enrolled in the basic plan, additional, voluntary life insurance beyond the basic may be purchased for employees and their family members, up to \$40,000.

### **Flexible Spending Account/Cafeteria Plan**

The Town offers employees the opportunity to take advantage of Section 125 (Flexible Spending Account) of the IRS code, which allows employees to convert a taxable cash benefit (salary) into non-taxable benefits. Under this plan you may choose to pay qualified benefit premiums before any taxes are deducted from your paycheck.

Your Section 125 program can make your benefits plan more affordable. You can pay for your qualified benefits with pre-tax dollars, through payroll deduction. By paying for qualified benefits before you pay taxes, you actually lower your taxable income, which means you pay less tax. Paying less tax usually means more spendable income. Some of the Benefits that qualify for the plan include:

- Health Insurance (chiropractic, acupuncture, therapy, etc.)
- Dependent Care
- Dental Insurance, Expenses, Orthodontia
- Disability Insurance

- Out of Pocket Medical Expenses

We have selected Total Administrative Services Corporation (TASC)/FlexSystem, to perform the administration of our program. However, you decide what benefits are important to your family and how much money will be set aside for out-of-pocket medical expenses and/or dependent care costs. Voluntary enrollment must be within 30 days of date of employment or you will need to wait until yearly open enrollment. Enrollment is based on a **fiscal** year. Employee is required to re-enroll each plan year. Open Enrollment usually takes place in May or a July 1st start date. Enrollment is initiated by contacting the Human Resources Office at 508-553-4840. A Plan Summary Description can be obtained from Human Resources.

### **Mandatory Retirement Plans**

As an employee of the Franklin Schools and the Town of Franklin you will not pay into Social Security. However, in lieu of that you will be required to join a retirement plan. Your role as an employee will determine which plan we enroll you in:

#### **Massachusetts Teachers' Retirement System**

- all qualified FEA members (or certified administrators)
- rates differ depending upon date of entry as a MTRB member
- current rate for new members is 11%

#### **Norfolk County Retirement Board**

- current rate for new members is 9%
- must provide copy of birth certificate to join

#### **ING/OBRA Deferred Compensation Plan**

- all personnel who are not eligible for either of the above and work less than 19 hours per week, all regular substitutes
- current rate is 7.5%

### **Tax Sheltered Annuities 403(b)**

A section 403(b) is a voluntary, salary deferral or reduction plan in which employees allocate a portion of their compensation to a qualified tax-sheltered annuity plan, providing additional savings towards retirement. A 403(b) plan can be invested in annuities, mutual funds, or a combination of insurance and annuities. There are two basic tax advantages of all tax-qualified plans:

- 1) Contributions to the plan are excludable from the employee's gross income, up to certain maximums
- 2) Earnings on funds accumulated in the plan are tax deferred until taken as distributions

When setting up a Tax Sheltered Annuity Plan it is very important that you select a competent, knowledgeable company representative who can clearly articulate the pros and cons of

the plan you are investigating. You should discuss all charges on contributions, asset and administrative charges as well as mortality and expense charges.

Contributions must be planned carefully, as there are limits or “caps” to the amount you may contribute. How much educators can contribute to a 403(b) each year is based on a series of formulae. These formulae use age, years of service, retirement age, salary, projected income from retirement plan, past contributions, etc. to determine one’s maximum contribution. Because of these considerations it is best to have a plan representative review and complete a “Maximum Exclusion Allowance” calculation sheet to insure that the cap is not exceeded. This sheet will need to be submitted, along with the salary reduction agreement before any deductions can be processed. Our Third Party Administrator, **TSA Consulting Group**, is responsible for compliance, oversight and management of all of our 403(b) accounts. Please contact them regarding enrollment information, available vendors, and to address any questions you may have regarding your 403(b) Plan. All plan related transactions (other than investment decisions) must be validated by TSA Consulting Group. These include all distributions, rollovers, hardships, loans, and processing of salary reduction agreements before they may be set up with payroll and sent to your vendor. **The website address is:** <https://www.tsacg.com/>. If you have any plan related questions or need to request forms please contact TSA Consulting Group's toll-free number at 888.796.3786, or by mail at the following address:

TSA Consulting Group

### **457 Deferred Compensation Plan**

As a public sector employee you also have the opportunity to build your retirement savings and reduce today’s taxes through enrollment in a Section 457 deferred compensation plan. This plan allows you to defer each year a maximum of 100 percent of your “gross compensation” or an annual dollar limit, whichever is less. Currently the annual dollar limit is \$15,500. The town offers this program through 3 vendors listed below. You may enroll at anytime. To enroll you would need to contact the vendor directly.

Another tool that we utilize to disseminate important messages quickly, is the Google/Groups/All School Staff. We will post information about open enrollment, health fairs, deadlines, etc.

## **Personnel Records Change of Status Information**

Your personnel file is important to us. It contains all the information related to your employment with Franklin Public Schools and, personal data used for insurance or other business purposes. Keep your personnel records current. Inform Human Resources of any changes to the information in your file, including your name, address, telephone number, marital status, insurance beneficiary, or the addition of a child to your family.

Do this as soon as the change occurs so that you continue to receive important information at the correct address and so that any changes in your benefits apply as soon as possible.

Address, name, and tax exemption changes can be made by completing and submitting a new W-4 form, available on line through the Human Resources “Forms Cabinet”, or by contacting the Human Resources Department.

You may visit our Employee Self Service site to confirm your current information and also make changes to phone numbers, etc. At this time, to change your address or exemptions on your W-4 you must still complete the W-4 form as mentioned above.

Employees may request to view their personnel file. Requests must be made in writing to the Human Resources Director and files will be viewed by appointment only.

## **Employment Verifications**

All requests for employment verifications need to be submitted to the Human Resources Office or the Payroll Office. Every effort will be made to process them in a timely manner. However, due to the high volume of requests received, it is recommended that they not be submitted with little or no turn around time for responding.

Only job title and dates of employment will be verified via the phone. Requests for salary information must be submitted in writing, along with a signed disclaimer from the employee.

### **Requesting a Personal Day**

Per your contract, you may be eligible to request a personal day for emergency types of situations. Requests for personal time must be submitted on a “Personal Day Request Form”. While each employee’s contribution on the job is valued, Franklin Public Schools recognizes that there are situations where employees may need to take time off from work. We will grant employees the needed time off from work for certain circumstances. Leaves of absence are granted in accordance with contractual agreements and applicable state and federal laws.

Leaves of absence must be requested in writing and submitted to the Superintendent of Schools and Principal/Supervisor within a reasonable amount of time, in order that appropriate replacement arrangements may be made. Requests must include the reason for the leave, requested length of the leave, and a physician’s certification, if medical, and the expected return to work date.

Employees with medical or dental insurance may continue coverage during an approved paid leave of absence or unpaid FMLA leave only (up to 12 weeks). Unpaid leaves beyond that would be offered continued coverage through COBRA at applicable COBRA rates.

### **Sick Bank Membership**

According to most contractual agreements, employees have the opportunity to voluntarily participate in a sick bank. This could allow an employee to access additional sick leave for a prolonged illness should his/her sick time run out. Please refer to your bargaining contract for details. Upon hire, covered employees have the opportunity to become a member of the bank. A completed sick bank enrollment form needs to be submitted to Human Resources upon hire. Requests to utilize the sick bank must be submitted in writing on a sick bank request form to the

Sick Bank Committee via the Superintendent, and must be accompanied by appropriate medical documentation.

### **Salary & Pay Day Information**

The Franklin School Department, in conjunction with the Town of Franklin, runs a bi-weekly payroll. All staff is paid on a bi-weekly schedule. Paychecks are deposited on Thursday. Employees who are required to fill out and submit timesheets need to record their time accurately and submit them for their principal/supervisor's approval in a timely fashion in order for a paycheck to be generated. A principal or supervisor must approve any adjustments, changes in hours, or overtime.

### **Leaving Franklin Public Schools & Retirement Information**

Prior to retiring from Franklin Public Schools, you may schedule an appointment to meet with the Payroll Manager/Human Resources Assistant.

This meeting with the Payroll Manager will also explain your final pay and the retirement process. A meeting with the Human Resources Assistant will advise as to what you can expect with regard to your benefits, especially any health insurance concerns.

Teachers contemplating retirement should contact the Mass Teachers Retirement System regarding retirement paperwork. Once received, they must then contact the Payroll Department for assistance in completing the necessary form information. Employees who are members of the Norfolk County Retirement Board must contact the Board regarding available options for pension payouts, refunds, and rollovers. They can be reached at 1-800-247-9992. Employees meeting retirement eligibility may continue with the Town's Health Insurance Program until such time as they are eligible for Medicare. When/if a retiree is eligible for Medicare; the Retiree must contact the Town of Franklin Human Resources Department and provide a copy of the Medicare Part A & Part B card showing the effective date. At that time the Retiree will be transferred to our Harvard Pilgrim Health Plan Supplemental Plan.

**TUTORING FOR PAY**

File: GCRD

Definition: "Tutoring" means giving private instruction or help to an individual or group for which the teacher receives remuneration other than through the School Committee.

Tutoring is not to be recommended for a student unless the administrator or appropriate teacher(s) of the student(s) involved is consulted and agrees that it will be of real help. If tutoring seems advisable, the Principal may give the parents a list of persons who are willing to tutor. This list may include teachers, but not the student's teacher of the subject in which he or she is to be tutored.

**CONFLICT OF  
INTEREST**

No employee of the Franklin Public Schools will engage in or have a financial interest in, directly or indirectly, any activity that conflicts or raises a reasonable question of conflict with his duties and responsibilities in the school system. Nor will any staff member engage in any type of private business during school time or on school property.

Employees will not engage in work of any type where information concerning customer, client, or employer originates from any information available to them through school sources.

Moreover, as there should be no conflict of interest in the super-vision and evaluation of employees, at no time may any administrator responsible for the supervision and/or evaluation of an employee be directly related to him.

In order to avoid the appearance of any possible conflict, it is the policy of the Franklin School Committee that no employee be hired who is related to any member of the School Committee or who is related to any administrator of the school district. This provision will not affect anyone currently employed in the district who may be related to either a School Committee member or an administrator but future promotions or hiring will not be exempt from this provision. No member of the School Committee will be employed by the school district.

## Discrimination/Harassment Policy

File: AC

It is the policy of the Franklin Public Schools to provide a learning and working environment free from discrimination and harassment. Staff, student or third party complaints of discrimination or harassment based upon race, color, creed, religion, ancestry, national origin, sex, gender identity or expression, sexual orientation, marital status, genetic information, disability, pregnancy or a related condition, veteran status, age, or homelessness should be brought to: Discrimination/Harassment Complaint Coordinator, 350 East Central Street, Franklin, Massachusetts.

A student who believes that he/she is the victim of harassment may also report the matter to a teacher, counselor, or administrator who in turn will notify the Building Principal in the school. As an alternative, a student may report directly to the Building Principal or the District's Discrimination/Harassment Complaint Coordinator.

All employees of the Franklin Public Schools must respond to suspected harassment and to complaints by students of harassment by notifying the building principal or his/her designee. Employees are expected to take every report of discrimination or harassment seriously and to understand the reporting procedures.

The policy and procedures set forth herein shall apply to complaints pursuant to state and federal laws, including: Title VI of the Civil Rights Act of 1964; Title IX of the Education Amendment Act of 1972; Section 504 of the Rehabilitation Act of 1973; the Americans With Disabilities Act; and Massachusetts General Laws, Chapter 151B.

The Franklin Public Schools strictly enforces a prohibition against harassment and discrimination, sexual or otherwise, of any of its students or employees by anyone, including any fellow student, teacher, supervisor, co-worker, vendor, or other third party, as such conduct is contrary to the mission of the Franklin Public Schools and its commitment to equal opportunity in education and employment.

Discrimination and harassment consists of unwelcome conduct, whether verbal or physical, that is based on a characteristic protected by law, such as race, color, creed, religion, ancestry, national origin, sex, gender identity or expression, sexual orientation, marital status, genetic information, disability, pregnancy or a related condition, veteran status, age, or homelessness. The Franklin Public Schools will not tolerate harassing or discriminatory conduct that affects employment or educational conditions, that interferes unreasonably with an individual's school or work performance, or that creates an intimidating, hostile, or offensive work or school environment. Discrimination and/or harassment of employees or students occurring in the schools or workplace is prohibited by law and will not be tolerated by the Franklin Public Schools. For purposes of this policy, "workplace" or "school" includes school-sponsored social events, trips, sports events, work related travel or similar events connected with school or employment. Further, any retaliation against an individual who has complained about discrimination, harassment or retaliation; or any retaliation against any individual who has cooperated with an investigation of a discrimination, harassment or retaliation complaint is similarly unlawful and will not be tolerated. Claims of retaliation will be investigated pursuant to this policy and procedures.

The Franklin Public Schools takes allegations of discrimination and harassment seriously and will respond promptly to complaints by taking interim steps to protect the complainant and the school community from further discrimination and/or harassment and by conducting a timely, thorough and impartial investigation.

Where it is determined that inappropriate conduct has occurred, the Franklin Public Schools will act promptly to eliminate the conduct and will impose corrective action as necessary, including disciplinary action where appropriate, which may include termination of employment or school-related discipline. All actions taken will have the intention of minimizing the burden on the complainant and providing due process rights to those persons involved.

### Procedures

All grievances shall be processed in a fair, expeditious and confidential manner. When a complaint of discrimination or harassment is made, the following investigative and appeal procedures will be followed:

#### Step 1: Reporting, Investigation and Response

Complaints may be made verbally or in writing to the Coordinator or his designee, who has authority to investigate all grievances. Complaints should be made promptly, within a short time after the occurrence giving rise to the complaint, to assure a prompt investigation and fair resolution. All complaints will be thoroughly investigated. Both the complainant and the subject of the complaint will be interviewed and given a full opportunity to state their case through the presentation of witnesses and other evidence. Witnesses and other persons relevant to the complaint, if any, will also be interviewed. A record will be kept of each investigation.

The complaints will be investigated within a reasonable time, usually not to exceed thirty (30) school days after the complaint has been received. When more than thirty (30) school days is required for the investigation, the Coordinator or his designee shall inform the employee or student who filed the complaint that the investigation is still ongoing. Both the complainant and the subject of the complaint will be informed of the result of the investigation, in writing in a manner consistent with federal and state law. If the complaint is substantiated, the Coordinator will refer the matter to the proper supervisor or administrator for appropriate responsive measures, including but not limited to disciplinary action. For students, discipline will be imposed consistent with the student code of conduct and state laws and regulations. Discipline of school staff will be consistent with collective bargaining procedures, if applicable, and may include reprimand, suspension from employment, or employment termination. Responsive measures will include any steps necessary to prevent the recurrence of any discrimination and/or harassment and will include corrective action aimed at eliminating any discriminatory effects on the complainant and others, as appropriate.

In certain cases, harassment and, in particular, sexual harassment of a student may constitute child abuse under Massachusetts law. The Franklin Public Schools will comply with all legal requirements governing the reporting of suspected cases of child abuse. The Franklin Public Schools will also report instances of harassment that may involve a crime in a manner consistent with the MOU between the Franklin Public Schools and the Franklin Police Department.

#### Step 2: Appeal

In the event a complainant or subject of a complainant disputes the results of the investigation or resolution, he or she may further appeal to the Superintendent within ten (10) school days of the Coordinator's decision. Any request for appeal shall be made in writing.

The Superintendent shall meet with the parties to hear the appeal, and shall review the records of the investigation. The Superintendent shall issue a decision within ten (10) days of the hearing. The Superintendent's decision shall be final.

Nothing in this policy or procedure shall be deemed to affect a grievant's right to other remedies at law, including administrative appeals or lawsuits. Administrative agencies with jurisdiction in these matters include:

**PROCEDURE FOR REPORTING  
JOB RELATED INJURY...**

Although Franklin Public Schools expects all employees to practice safe work habits and to be aware of their surroundings at all times, we recognize that there are occasions when injuries can and do arise out of the course of employment. In order for all accidents and injuries to be treated promptly and thoroughly it is necessary to follow the proper reporting procedure.

## **POLICY**

Pursuant to Massachusetts General Law, Chapter 152, all employees except uniformed police and fire employees are provided insurance protection to cover the loss of wages and designated expenses arising from employment-related injuries. It is both the responsibilities of the insured employee and his/her supervisor or department head to immediately report an injury to the Town.

## **WAGE COMPENSATION**

The salary compensation under the new worker's compensation law is calculated at 60% of the average regular pay of the employee. If an employee has accumulated leave and requests to do so, the difference between the workers' compensation pay and his/her regular pay may be charged to accumulated sick, vacation or compensatory time leave so that the employee receives 100% of his/her gross payroll. The employee may also elect only to receive the worker's compensation. No deductions are made from the workers' compensation check. Therefore, the employee must make arrangements with the Comptroller's Office to pay for voluntary deductions such as health insurance, life insurance, credit unions or union dues. The monthly 1 ¼ sick day is not accrued while employee is on workers' compensation, also the employee will not be paid for any holidays.

**COBRA****AS YOU ENROLL IN HEALTH INSURANCE  
TOWN OF FRANKLIN  
NOTICE OF GROUP HEALTH CONTINUATION  
COVERAGE UNDER COBRA****VERY IMPORTANT NOTICE****TO EMPLOYEES AND THEIR SPOUSES  
COVERED UNDER THE  
EMPLOYEE BENEFITS PLAN**

---

In 1986, a Federal law was enacted (Public Law 99-272, Title X), known as “COBRA”, requiring that most employers sponsoring group health plans offer participating employees and their families the opportunity for a temporary extension of health coverage (called “Continuation Coverage”) at group rates in certain instances where coverage under the employer’s plan would otherwise end.

This notice is intended to inform you, in summary fashion, of your rights and obligations under the Continuation Coverage provisions of COBRA, as amended. Both you and your covered dependents should take the time to read this notice carefully.

**EVENTS GIVING RISE TO CONTINUATION COVERAGE OPTION****Covered Employees**

If you are an employee of Employer or an individual (self-employed or otherwise) who performs services for the Employer, and you are covered by the Employer’s Employee Benefits Plan (“the Benefits Plan”), you have the right to purchase this Continuation Coverage when you lose your group health coverage for *either* of the following Qualifying Events:

1. A reduction in your hours of employment below the Benefits Plan eligibility threshold; or
2. The Termination of your employment unless your employment is terminated because of gross misconduct on your part.

**Spouses of Covered Employees**

If you are currently covered under the Benefits Plan as the spouse of an employee covered by the Benefits Plan, you have the right to purchase Continuation Coverage for yourself when you lose group health coverage under the Benefits Plan for any of the following Qualifying Events:

1. The death of your spouse;
2. A termination of your spouse’s employment unless termination is due to gross misconduct;
3. A reduction in your spouse’s hours of employment with Employer below the Benefits Plan Eligibility threshold;
4. Divorce or legal separation from your spouse; or
5. Your spouse becomes entitled to Medicare.

**Dependent Children of Covered Employees**

If you have a dependent child who is currently covered by the Benefits Plan, he or she has the right to purchase Continuation Coverage if group health coverage is lost under the Benefits Plan for any of the following Qualifying Events:

1. The death of the employee;
2. A termination of the employee's employment unless termination is due to gross misconduct;
3. A reduction in the employee's hours of employment with Employer below the Benefits Plan eligibility threshold;
4. The employee's divorce or legal separation;
5. The employee becomes entitled to Medicare; or
6. The dependent ceases to be a "dependent child" under the Benefits Plan. (In general, the Benefits Plan covers unmarried children until they reach their 19<sup>th</sup> birthday. Thereafter, an unmarried child is ineligible unless he or she is attending school on a full-time basis. All children cease to be eligible dependents on their 26<sup>th</sup> birthday even if they continue to be full time students.)

A child who is born to or placed for adoption with the covered employee during a period of COBRA coverage will be eligible to become a qualified beneficiary. In accordance with the terms of the Employer's Employee Benefits Plan and the requirements of federal law, these qualified beneficiaries can be added to COBRA coverage upon proper notification to the Plan Administrator of the birth or adoption.

## **PERIOD OF CONTINUATION COVERAGE**

### **General Rules**

COBRA requires that you be afforded the opportunity to purchase Continuation Coverage for up to 18 months if either of the following Qualifying Events occurs;

1. Termination of the covered employee's employment, unless termination is due to gross misconduct; or
2. A reduction in the covered employee's hours of employment below the Benefits Plan eligibility threshold.

COBRA requires that you be afforded the opportunity to purchase Continuation Coverage for up to 36 months if any of the following Qualifying Events occur;

1. The death of the covered employee;
2. Divorce or legal separation from the covered employee;
3. The covered employee becomes entitled to Medicare; and
4. A child ceases to be a dependent under the Benefits Plan

### **Special Rule for Multiple Qualifying Events other than Entitlement to Medicare**

If during an 18- month period of Continuation Coverage you experience an event, giving rise to 36 months of Continuation Coverage, you may elect to extend your Continuation Coverage to 36 months beginning on the date the original 18-month period began. (Special rules involving entitlement to Medicare are discussed below.) By way of example, an employee quits his job (18 month coverage) and dies shortly thereafter (36 month coverage). The surviving spouse and dependents are eligible to receive coverage for a maximum of 36 months commencing on the date the employee quit his job provided they were eligible for Continuation Coverage at the time of the covered employee's death. In no event will Continuation Coverage last beyond 36 months from the date of the first Qualifying event.

If you believe you are entitled to extended coverage under this rule you should contact the Plan Administrator at the address set forth at the end of this notice. Failure to contact the Plan Administrator may lead to premature termination of Continuation Coverage.

## **Special Rule for Spouses and Dependent Children Upon Covered Employee's Entitlement to Medicare**

COBRA requires that if a covered employee becomes entitled to Medicare (regardless of whether such Qualifying Event causes a loss of coverage under the Benefits Plan), the period of coverage for the spouse of such covered employee or the dependent child of such covered employee shall not terminate before the end of the 36 month period following the earlier of the date of the first Qualifying Event or the date covered employee becomes entitled to Medicare. Entitlement to Medicare means the covered employee is eligible to receive and signs up for Medicare Insurance. The maximum aggregate period of Continuation Coverage for any or all Qualifying Events, including Medicare entitlement, is 36 months. For example, assume a covered employee becomes entitled to Medicare on January 1, 1999 (which event does not cause a loss of coverage), and subsequently loses coverage due to termination of employment on September 1, 1999. By applying the special Medicare rule, a "lookback" to the date of Medicare entitlement would entitle the employee's covered dependents to 36 months of Continuation Coverage (i.e., from January 1, 1999 to December 31, 2002). Under these circumstances, an employee's covered dependents are entitled to the longer period of Continuation Coverage (36 months) beginning on the date of Medicare entitlement, instead of only 18 months of coverage from the date of the employee's termination (which coverage would have expired on February 29, 2001).

This coverage is available only to the spouse and dependent children of covered employees and only if such individuals themselves are covered under the Benefits Plan at the time the covered employee becomes entitled to Medicare.

To ensure that you received this coverage, you must notify the Plan Administrator at the time the covered employee becomes entitled to Medicare. The address for the Plan Administrator is set forth below. Failure to notify the Plan Administrator of the covered employee's entitlement may lead to premature termination of Continuation Coverage.

### **Special Rule for Disabled Qualified Beneficiaries**

If the covered employee, the spouse of a covered employee, or the dependent child of a covered employee is determined by the Social Security Administration to be disabled (for Social Security disability purposes) at any time during the first 60 days of COBRA coverage, the disabled individual, if then covered under the Benefits Plan, is eligible for extended Continuation Coverage beyond the normal period of 18 months. Under this special rule, qualifying disabled individuals may extend Continuation Coverage for up to 29 months from the time they are first eligible to elect Continuation Coverage due to a termination or reduction in hours of employment.

In order to be entitled to this extended coverage, the disabled person (or any other qualified beneficiary) must provide the following notices to the Plan Administrator:

1. A copy of the Social Security Administration determination of his or her disability within the earlier of 60 days after the Administration makes a disability determination, or the last day of the initial 18-month period of Continuation Coverage, and
2. Such individual must notify the Plan Administrator within 30 days of the date the Social Security Administration makes a final determination that he or she is no longer disabled.

### **TERMINATION OF CONTINUATION COVERAGE**

COBRA also provides that your Continuation Coverage will end for any of the following reasons:

1. The Employer no longer provides group health coverage to any of its employees (special rules may apply if a health plan is terminated or coverage is reduced on account of bankruptcy proceedings);
2. You fail to pay the premium for your Continuation Coverage on time;
3. You become covered under another group health plan as an employee, spouse or dependent, after the date you elect COBRA coverage so long as the new group health plan does not exclude or limit coverage for a pre-existing condition for which you were covered under the Benefits Plan;
4. You become entitled to Medicare after the date you elect COBRA coverage; or

5. You end your legal separation from a covered employee and once again become covered under the Benefits Plan as a spouse.

In addition, if your Continuation Coverage was extended to 29 months due to your disability, your extended coverage will end with the month that begins more than 30 days after a final determination under Social Security Administration that you are no longer disabled even if the total period of coverage is less than 29 months. In no event, however, will the period of coverage be less than 18 months unless one of the above events occurs.

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) restricts the extent to which group health plans may impose pre-existing condition limitations. These rules are generally effective for plan years beginning after June 30, 1997. HIPAA coordinates COBRA's other coverage cut-off rule with these new limits as follows.

If you become covered by another group health plan and that plan contains a pre-existing condition limitation that affects your, your COBRA coverage cannot be terminated. However, if the other plan's pre-existing condition rules do not apply to you by reason of HIPAA's restrictions on pre-existing condition clauses, the Benefits Plan may terminate your COBRA coverage.

Under the law, you do not have to show that you are insurable to purchase Continuation Coverage. However, Continuation Coverage under COBRA is provided subject to your eligibility for coverage; the Employer reserves the right to terminate your COBRA coverage retroactively if you are determined to be ineligible.

You must pay the entire premium for your Continuation Coverage

COBRA, also provides that, at the end of the Continuation Coverage period, you must be allowed to enroll in an individual conversion health plan, if any, provided under the Benefits Plan. If you elect to convert your coverage to an individual conversion plan, you must notify the Plan Administrator within the 180-day period ending on the date your Continuation Coverage under the Benefits Plan will expire.

## **NOTICE PROCEDURES**

### **Notice to be Provided by Employee or Family Member**

Under COBRA, the employee or a family member has the responsibility to inform the Employer's Employee Benefits Plan Administrator of a divorce, legal separation, or a child losing covered dependent status under the Plan within 60 days of the event. The address for the Plan Administrator is set forth below. You must inform the Plan Administrator as soon as possible after one of these events has occurred. You must also notify the Plan Administrator in accordance with the special rules regarding disability determination, if applicable. If you fail to inform the Plan Administrator within 60 days after one of these events has occurred, you will lose your right to purchase Continuation Coverage under the Benefits Plan.

In addition, there are also special rules for the Continuation Coverage, which apply when the covered employee becomes entitled to Medicare as determined by the Social Security Administration. The Medicare rules are described in more detail above. To ensure that you receive the maximum amount of coverage in the event the covered employee becomes entitled to Medicare, you should notify the Plan Administrator as soon as possible after such Medicare entitlement occurs.

### **Notice to be Provided by Employer**

The Employer has the responsibility to notify the Plan Administrator of an employee's death, termination of employment, or reduction in hours worked below the Benefits Plan eligibility threshold, or Medicare entitlement.

### **Notice to be Provided by the Plan Administrator**

When the Plan Administrator is notified of a divorce, legal separation, child losing dependent status, employee's death, termination of employment, reduction in hours worked, or Medicare entitlement, the Plan Administrator will in turn notify you that you have the right to purchase Continuation Coverage.

### **Election Period and Premium Payment**

Under the law, you have 60 days from the date, which is the later of (i) the date you have been provided with this Notice, or (ii) the date you would lose coverage because of one of the events described above, to inform the Plan Administrator that you want

Continuation Coverage. You must inform the Plan Administrator by completing the Election Form and sending it to the Plan Administrator *no later* than the end of the 60 -day period described in the previous sentence.

The Continuation Coverage is optional. However, if you do not elect the Continuation Coverage, your group health coverage under the Benefits Plan will end.

If you elect Continuation Coverage, the Employer is required to allow you to purchase coverage, which, as of the time coverage is being provided, is identical to the coverage provided under the plan to similarly situated employees or family members.

You must pay *all* premiums for coverage due retroactive to the day you lost coverage under the Benefits Plan no later than the forty-sixth (46<sup>th</sup>) day following your initial election to purchase Continuation Coverage. For each premium payment thereafter, payment is due on the first day of the month for which the premium applies (for example, the premium for the month of June is due June 1). If you do not pay your premium on or before the first day of each month, a grace period of 30 days will be allowed for payment for any delinquent premium. A failure to pay premiums before the expiration of the grace period will result in a loss of coverage.

## **CERTIFICATION PROCEDURES**

The Benefits Plan provides Creditable Coverage Certifications to Plan participants in accordance with the Health Insurance Portability and Accountability Act of 1996. The certification provided at the beginning and end of your COBRA coverage and again within 24 months if you request it, will specify the period of time for which you are covered under our group health plan and under COBRA. This certification may be used to reduce or eliminate a pre-existing condition-waiting period if you become covered under a new group health plan within 63 days of the date your coverage ends under the Employer's Employee Benefits Plan.

## **PLAN ADMINISTRATOR**

The requirements of COBRA are complicated. If you have any questions about the matters discussed in this Notice, please contact:

**NFP  
900 Route 134  
South Dennis, MA 02660-2575  
508-385-5468**

Finally, to ensure that you receive all of the important information concerning your Continuation Coverage, you should notify the Plan Administrator in writing at the above address as soon as possible upon the occurrence of any of the following events:

1. You and your spouse legally separate or divorce.
2. You or your spouse change addresses.
3. Your child ceases to be an eligible dependent under the Benefits Plan.
4. You are a covered employee and you become entitled to Medicare.
5. You are covered by the Benefits Plan and the Social Security Administration determines that you are disabled, as well as a subsequent determination by the Social Security Administration that you are no longer disabled, if applicable.

# EDUCATOR ETHICS/PROTOCOL

## Protect Yourself

### HEALTHY BOUNDARIES FOR EDUCATORS

**More than ever, kids need healthy, clearly defined relationships** with adults to feel safe and to develop into competent and responsible human beings. As educators, we are their role models -- not their friends, their confidantes, or surrogate parents.

**Your professional behavior, values, and responsibilities** – both in and outside of school – are more important than popularity among students or a need to please others.

**Remember that your competencies are in teaching** your subjects and in providing students with an excellent, well-rounded education. You are employed by FPS in a specific role. Leave the counseling to the counselors.

*Remember -- at all times -- that you are the adult, the professional, the role model.*

### IN SCHOOL

**Follow the Internet Use Policy.** Remember that any emails sent on a school computer can be retrieved. Emails can be considered public documents. Internet activity on a school computer can be tracked.

**Dress professionally.** While certain clothes are fine for weekend wear, they should not be worn to school by teachers. The way you dress should never be a distraction to your students.

**Use caution with self-disclosure about your personal life.** Discretion is important.

**Avoid being alone with students.** One-on-one tutoring should be done in a public place like the library. Leave your door open when conferencing. Avoid letting kids “hang out” in your room.

**Be consistent in your treatment of students.** Do not make exceptions for a favored few. Do not advocate on students’ behalf to bend policies.

**Do not touch students.** Maintain a professional demeanor to avoid misinterpretation.

### OUTSIDE SCHOOL

**You are a private citizen, but you are also always an educator.** Your out-of-school conduct can affect your job security. The line between our public and private lives is less clear, so what you post on a blog, on your MySpace page, on Facebook, can be accessed by students. If you wouldn’t want the Superintendent reading it aloud to you in a meeting, don’t post it.

**Do not extend your contact with students outside of school.** Do not send text messages or IMs, give out your phone number, invite students to your house or allow them to show up. Do not drive students in your car. Do not give personal advice about boyfriends or girlfriends. Always be careful when sending emails.

## EDUCATOR ETHICS/PROTOCOL

### Protect Yourself

#### **STAYING WITHIN BOUNDARIES**

**Don't be afraid to correct inappropriate behavior.** Remind students of the limits of your relationship as an educator. Reaffirm the helping nature of the relationship. Make a plan for getting the student appropriate help. Immediately report any incidents of behavior or comments by students that might be misinterpreted later; don't let situations escalate.

**Be friendly, not a friend.** Conversations with students should be warm and caring and provide support for their learning and growth. Relationships should be centered on school events and activities. Student-teacher conduct should be appropriate and understood by the general population – not laced with “inside” references.

***Maintain a culture of professionalism and respect, providing a healthy atmosphere for student growth.***

**Support the school culture of professionalism.** Don't ignore situations. Help create a culture of intolerance for inappropriate behavior. Letting incidents slide sends the message that you believe such behavior is acceptable.

#### **IT'S THE LAW**

**Massachusetts law requires school superintendents** to report to the Commissioner of Education in writing wherever a licensed educator is dismissed, not renewed, or resigns after committing misconduct that might warrant revocation or other limitation of the educator's license.

#### **According to state regulation 603, CMR 7.17(8)(h)**

**Administrators' Obligation to Report.** Any administrator who dismissed, not renewed, or obtained the resignation of any educator for any of the reasons cited in 603 CMR 7.14(8)(a) shall report in writing such resignation or dismissal and the reason the administrator acquires relevant information after an educator's dismissal, resignation, or non-renewal. Failure to make such reports shall be grounds on which the Commissioner may revoke the administrator's license.

When the Department of Education receives a report under this regulation, it will conduct an investigation of its own to determine whether the facts warrant revocation, suspension, or limitation of an educator's license.

***If you have any questions about your rights and responsibilities,  
speak to your FEA representative or an administrator.***

**This summary of the conflict of interest law, General Laws chapter 268A, is intended to help municipal employees understand how that law applies to them.**

This summary is not a substitute for legal advice, nor does it mention every aspect of the law that may apply in a particular situation. Municipal employees can obtain free confidential advice about the conflict of interest law from the Commission's Legal Division at our website, phone number, and address above. Municipal counsel may also provide advice.

The conflict of interest law seeks to prevent conflicts between private interests and public duties, foster integrity in public service, and promote the public's trust and confidence in that service by placing restrictions on what municipal employees may do on the job, after hours, and after leaving public service, as described below. The sections referenced below are sections of G.L. c. 268A.

When the Commission determines that the conflict of interest law has been violated, it can impose a civil penalty of up to \$10,000 (\$25,000 for bribery cases) for each violation. In addition, the Commission can order the violator to repay any economic advantage he gained by the violation, and to make restitution to injured third parties. Violations of the conflict of interest law can also be prosecuted criminally.

**I. Are you a municipal employee for conflict of interest law purposes?**

You do not have to be a full-time, paid municipal employee to be considered a municipal employee for conflict of interest purposes. Anyone performing services for a city or town or holding a municipal position, whether paid or unpaid, including full- and part-time municipal employees, elected officials, volunteers, and consultants, is a municipal employee under the conflict of interest law. An employee of a private firm can also be a municipal employee, if the private firm has a contract with the city or town and the employee is a "key employee" under the contract, meaning the town has specifically contracted for her services. The law also covers private parties who engage in impermissible dealings with municipal employees, such as offering bribes or illegal gifts. Town meeting members and charter commission members are not municipal employees under the conflict of interest law.

**II. On-the-job restrictions.**

**(a) Bribes. Asking for and taking bribes is prohibited. (See Section 2)**

A bribe is anything of value corruptly received by a municipal employee in exchange for the employee being influenced in his official actions. Giving, offering, receiving, or asking for a bribe is illegal.

Bribes are more serious than illegal gifts because they involve corrupt intent. In other words, the municipal employee intends to sell his office by agreeing to do or not do some official act, and the giver intends to influence him to do so. Bribes of any value are illegal.

**(b) Gifts and gratuities. Asking for or accepting a gift because of your official position, or because of something you can do or have done in your official position, is prohibited. (See Sections 3, 23(b) (2), and 26)**

Municipal employees may not accept gifts and gratuities valued at \$50 or more given to influence their official actions or because of their official position. Accepting a gift intended to reward past official action or to bring about future official action is illegal, as is giving such gifts. Accepting a gift given to you because of the municipal position you hold is also illegal. Meals, entertainment event tickets, golf, gift baskets, and payment of travel expenses can all be illegal gifts if given in connection with official action or position, as can anything worth \$50 or more. A number of smaller gifts together worth \$50 or more may also violate these sections.

*Example of violation:* A town administrator accepts reduced rental payments from developers.

*Example of violation:* A developer offers a ski trip to a school district employee who oversees the developer's work for the school district.

**Regulatory exemptions.** There are situations in which a municipal employee's receipt of a gift does not present a genuine risk of a conflict of interest, and may in fact advance the public interest. The Commission has created exemptions permitting giving and receiving gifts in these situations. One commonly used exemption permits municipal employees to accept payment of travel-related expenses when doing so advances a public purpose. Another commonly used exemption permits municipal employees to accept payment of costs involved in attendance at educational and training programs. Other exemptions are listed on the Commission's website.

*Example where there is no violation:* A fire truck manufacturer offers to pay the travel expenses of a fire chief to a trade show where the chief can examine various kinds of fire-fighting equipment that the town may purchase. The chief fills out a disclosure form and obtains prior approval from his appointing authority.

*Example where there is no violation:* A town treasurer attends a two-day annual school featuring multiple substantive seminars on issues relevant to treasurers. The annual school is paid for in part by banks that do business with town treasurers. The treasurer is only required to make a disclosure if one of the sponsoring banks has official business before her in the six months before or after the annual school.

**(c) Misuse of position. Using your official position to get something you are not entitled to, or to get someone else something they are not entitled to, is prohibited. Causing someone else to do these things is also prohibited. (See Sections 23(b) (2) and 26)**

A municipal employee may not use her official position to get something worth \$50 or more that would not be properly available to other similarly situated individuals. Similarly, a municipal

employee may not use her official position to get something worth \$50 or more for someone else that would not be properly available to other similarly situated individuals. Causing someone else to do these things is also prohibited.

**Example of violation:** A full-time town employee writes a novel on work time, using her office computer, and directing her secretary to proofread the draft.

**Example of violation:** A city councilor directs subordinates to drive the councilor's wife to and from the grocery store.

**Example of violation:** A mayor avoids a speeding ticket by asking the police officer who stops him, "Do you know who I am?" and showing his municipal I.D.

**(d) Self-dealing and nepotism. Participating as a municipal employee in a matter in which you, your immediate family, your business organization, or your future employer has a financial interest is prohibited. (See Section 19)**

A municipal employee may not participate in any particular matter in which he or a member of his immediate family (parents, children, siblings, spouse, and spouse's parents, children, and siblings) has a financial interest. He also may not participate in any particular matter in which a prospective employer, or a business organization of which he is a director, officer, trustee, or employee has a financial interest. Participation includes discussing as well as voting on a matter, and delegating a matter to someone else.

A financial interest may create a conflict of interest whether it is large or small, and positive or negative. In other words, it does not matter if a lot of money is involved or only a little. It also does not matter if you are putting money into your pocket or taking it out. If you, your immediate family, your business, or your employer have or has a financial interest in a matter, you may not participate. The financial interest must be direct and immediate or reasonably foreseeable to create a conflict. Financial interests which are remote, speculative or not sufficiently identifiable do not create conflicts.

**Example of violation:** A school committee member's wife is a teacher in the town's public schools. The school committee member votes on the budget line item for teachers' salaries.

**Example of violation:** A member of a town affordable housing committee is also the director of a non-profit housing development corporation. The non-profit makes an application to the committee, and the member/director participates in the discussion.

**Example:** A planning board member lives next door to property where a developer plans to construct a new building. Because the planning board member owns abutting property, he is presumed to have a financial interest in the matter. He cannot participate unless he provides the State Ethics Commission with an opinion from a qualified independent appraiser that the new construction will not affect his financial interest.

In many cases, where not otherwise required to participate, a municipal employee may comply with the law by simply not participating in the particular matter in which she has a financial interest. She need not give a reason for not participating.

There are several exemptions to this section of the law. An appointed municipal employee may file a written disclosure about the financial interest with his appointing authority, and seek permission to participate notwithstanding the conflict. The appointing authority may grant written permission if she determines that the financial interest in question is not so substantial that it is likely to affect the integrity of his services to the municipality. Participating without disclosing the financial interest is a violation. Elected employees cannot use the disclosure procedure because they have no appointing authority.

***Example where there is no violation:*** An appointed member of the town zoning advisory committee, which will review and recommend changes to the town's by-laws with regard to a commercial district, is a partner at a company that owns commercial property in the district. Prior to participating in any committee discussions, the member files a disclosure with the zoning board of appeals that appointed him to his position, and that board gives him a written determination authorizing his participation, despite his company's financial interest. There is no violation.

There is also an exemption for both appointed and elected employees where the employee's task is to address a matter of general policy and the employee's financial interest is shared with a substantial portion (generally 10% or more) of the town's population, such as, for instance, a financial interest in real estate tax rates or municipal utility rates.

**Regulatory exemptions.** In addition to the statutory exemptions just mentioned, the Commission has created several regulatory exemptions permitting municipal employees to participate in particular matters notwithstanding the presence of a financial interest in certain very specific situations when permitting them to do so advances a public purpose. There is an exemption permitting school committee members to participate in setting school fees that will affect their own children if they make a prior written disclosure. There is an exemption permitting town clerks to perform election-related functions even when they, or their immediate family members, are on the ballot, because clerks' election-related functions are extensively regulated by other laws. There is also an exemption permitting a person serving as a member of a municipal board pursuant to a legal requirement that the board have members with a specified affiliation to participate fully in determinations of general policy by the board, even if the entity with which he is affiliated has a financial interest in the matter. Other exemptions are listed in the Commission's regulations, available on the Commission's website.

***Example where there is no violation:*** A municipal Shellfish Advisory Board has been created to provide advice to the Board of Selectmen on policy issues related to shellfishing. The Advisory Board is required to have members who are currently commercial fishermen. A board member who is a commercial fisherman may participate in determinations of general policy in which he has a financial interest common to all commercial fishermen, but may not participate in determinations in

which he alone has a financial interest, such as the extension of his own individual permits or leases.

**(e) False claims. Presenting a false claim to your employer for a payment or benefit is prohibited, and causing someone else to do so is also prohibited. (See Sections 23(b) (4) and 26)**

A municipal employee may not present a false or fraudulent claim to his employer for any payment or benefit worth \$50 or more, or cause another person to do so.

*Example of violation* : A public works director directs his secretary to fill out time sheets to show him as present at work on days when he was skiing.

**(f) Appearance of conflict. Acting in a manner that would make a reasonable person think you can be improperly influenced is prohibited. (See Section 23(b) (3))**

A municipal employee may not act in a manner that would cause a reasonable person to think that she would show favor toward someone or that she can be improperly influenced. Section 23(b)(3) requires a municipal employee to consider whether her relationships and affiliations could prevent her from acting fairly and objectively when she performs her duties for a city or town. If she cannot be fair and objective because of a relationship or affiliation, she should not perform her duties. However, a municipal employee, whether elected or appointed, can avoid violating this provision by making a public disclosure of the facts. An appointed employee must make the disclosure in writing to his appointing official.

*Example where there is no violation*: A developer who is the cousin of the chair of the conservation commission has filed an application with the commission. A reasonable person could conclude that the chair might favor her cousin. The chair files a written disclosure with her appointing authority explaining her relationship with her cousin prior to the meeting at which the application will be considered. There is no violation of Sec. 23(b) (3).

**(g) Confidential information. Improperly disclosing or personally using confidential information obtained through your job is prohibited. (See Section 23(c))**

Municipal employees may not improperly disclose confidential information, or make personal use of non-public information they acquired in the course of their official duties to further their personal interests.

### **III. After-hours restrictions.**

**(a) Taking a second paid job that conflicts with the duties of your municipal job is prohibited. (See Section 23(b) (1))**

A municipal employee may not accept other paid employment if the responsibilities of the second job are incompatible with his or her municipal job.

*Example:* A police officer may not work as a paid private security guard in the town where he serves because the demands of his private employment would conflict with his duties as a police officer.

**(b) Divided loyalties. Receiving pay from anyone other than the city or town to work on a matter involving the city or town is prohibited. Acting as agent or attorney for anyone other than the city or town in a matter involving the city or town is also prohibited whether or not you are paid. (See Sec. 17)**

Because cities and towns are entitled to the undivided loyalty of their employees, a municipal employee may not be paid by other people and organizations in relation to a matter if the city or town has an interest in the matter. In addition, a municipal employee may not act on behalf of other people and organizations or act as an attorney for other people and organizations in which the town has an interest. Acting as agent includes contacting the municipality in person, by phone, or in writing; acting as a liaison; providing documents to the city or town; and serving as spokesman.

A municipal employee may always represent his own personal interests, even before his own municipal agency or board, on the same terms and conditions that other similarly situated members of the public would be allowed to do so. A municipal employee may also apply for building and related permits on behalf of someone else and be paid for doing so, unless he works for the permitting agency, or an agency which regulates the permitting agency.

*Example of violation:* A full-time health agent submits a septic system plan that she has prepared for a private client to the town's board of health.

*Example of violation:* A planning board member represents a private client before the board of selectmen on a request that town meeting consider rezoning the client's property.

While many municipal employees earn their livelihood in municipal jobs, some municipal employees volunteer their time to provide services to the town or receive small stipends. Others, such as a private attorney who provides legal services to a town as needed, may serve in a position in which they may have other personal or private employment during normal working hours. In recognition of the need not to unduly restrict the ability of town volunteers and part-time employees to earn a living, the law is less restrictive for "special" municipal employees than for other municipal employees.

The status of "special" municipal employee has to be assigned to a municipal position by vote of the board of selectmen, city council, or similar body. A position is eligible to be designated as "special" if it is unpaid, or if it is part-time and the employee is allowed to have another job during normal working hours, or if the employee was not paid for working more than 800 hours during the

preceding 365 days. It is the position that is designated as "special" and not the person or persons holding the position. Selectmen in towns of 10,000 or fewer are automatically "special"; selectman in larger towns cannot be "specials."

If a municipal position has been designated as "special," an employee holding that position may be paid by others, act on behalf of others, and act as attorney for others with respect to matters before municipal boards other than his own, provided that he has not officially participated in the matter, and the matter is not now, and has not within the past year been, under his official responsibility.

**Example:** A school committee member who has been designated as a special municipal employee appears before the board of health on behalf of a client of his private law practice, on a matter that he has not participated in or had responsibility for as a school committee member. There is no conflict. However, he may not appear before the school committee, or the school department, on behalf of a client because he has official responsibility for any matter that comes before the school committee. This is still the case even if he has recused himself from participating in the matter in his official capacity.

**Example:** A member who sits as an alternate on the conservation commission is a special municipal employee. Under town by-laws, he only has official responsibility for matters assigned to him. He may represent a resident who wants to file an application with the conservation commission as long as the matter is not assigned to him and he will not participate in it.

**(c) Inside track. Being paid by your city or town, directly or indirectly, under some second arrangement in addition to your job is prohibited, unless an exemption applies. (See Section 20)**

A municipal employee generally may not have a financial interest in a municipal contract, including a second municipal job. A municipal employee is also generally prohibited from having an indirect financial interest in a contract that the city or town has with someone else. This provision is intended to prevent municipal employees from having an "inside track" to further financial opportunities.

**Example of violation:** Legal counsel to the town housing authority becomes the acting executive director of the authority, and is paid in both positions.

**Example of violation:** A selectman buys a surplus truck from the town DPW.

**Example of violation:** A full-time secretary for the board of health wants to have a second paid job working part-time for the town library. She will violate Section 20 unless she can meet the requirements of an exemption.

**Example of violation:** A city councilor wants to work for a non-profit that receives funding under a contract with her city. Unless she can satisfy the requirements of an exemption under Section 20, she cannot take the job.

There are numerous exemptions. A municipal employee may hold multiple unpaid or elected positions. Some exemptions apply only to special municipal employees. Specific exemptions may cover serving as an unpaid volunteer in a second town position, housing-related benefits, public safety positions, certain elected positions, small towns, and other specific situations. Please call the Ethics Commission's Legal Division for advice about a specific situation.

#### **IV. After you leave municipal employment. (See Section 18)**

**(a) Forever ban. After you leave your municipal job, you may never work for anyone other than the municipality on a matter that you worked on as a municipal employee.**

If you participated in a matter as a municipal employee, you cannot ever be paid to work on that same matter for anyone other than the municipality, nor may you act for someone else, whether paid or not. The purpose of this restriction is to bar former employees from selling to private interests their familiarity with the facts of particular matters that are of continuing concern to their former municipal employer. The restriction does not prohibit former municipal employees from using the expertise acquired in government service in their subsequent private activities.

*Example of violation:* A former school department employee works for a contractor under a contract that she helped to draft and oversee for the school department.

**(b) One year cooling-off period. For one year after you leave your municipal job you may not participate in any matter over which you had official responsibility during your last two years of public service.**

Former municipal employees are barred for one year after they leave municipal employment from personally appearing before any agency of the municipality in connection with matters that were under their authority in their prior municipal positions during the two years before they left.

*Example:* An assistant town manager negotiates a three-year contract with a company. The town manager who supervised the assistant, and had official responsibility for the contract but did not participate in negotiating it, leaves her job to work for the company to which the contract was awarded. The former manager may not call or write the town in connection with the company's work on the contract for one year after leaving the town.

A former municipal employee who participated as such in general legislation on expanded gaming and related matters may not become an officer or employee of, or acquire a financial interest in, an applicant for a gaming license, or a gaming licensee, for one year after his public employment ceases.

**(c) Partners. Your partners will be subject to restrictions while you serve as a municipal employee and after your municipal service ends.**

Partners of municipal employees and former municipal employees are also subject to restrictions under the conflict of interest law. If a municipal employee participated in a matter, or if he has official responsibility for a matter, then his partner may not act on behalf of anyone other than the municipality or provide services as an attorney to anyone but the city or town in relation to the matter.

**Example:** While serving on a city's historic district commission, an architect reviewed an application to get landmark status for a building. His partners at his architecture firm may not prepare and sign plans for the owner of the building or otherwise act on the owner's behalf in relation to the application for landmark status. In addition, because the architect has official responsibility as a commissioner for every matter that comes before the commission, his partners may not communicate with the commission or otherwise act on behalf of any client on any matter that comes before the commission during the time that the architect serves on the commission.

**Example:** A former town counsel joins a law firm as a partner. Because she litigated a lawsuit for the town, her new partners cannot represent any private clients in the lawsuit for one year after her job with the town ended.

## CREDITABLE COVERAGE NOTICE

### Important Notice from the Town of Franklin About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with The Town of Franklin and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The Town of Franklin has determined that the prescription drug coverage offered by the Tufts Medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> through December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your Town of Franklin coverage will not be affected. However, as an enrollee, you would likely have more prescription drug coverage than is needed. Please consult with your Town's benefit administrator on this topic.

If you do decide to join a Medicare drug plan and drop your current Town of Franklin coverage, be aware that you and your dependents *may* only be able to get your current coverage back at limited opportunities.

### When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with The Town of Franklin and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without

creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
