

# Winter Science Academy

## Bridgewater State University

This winter, the Center for the Advancement of STEM Education offers middle school students the opportunity to participate in an exciting hands-on class, *Forensics Institute of Bridgewater*. Students will work as crime scene analysts and will learn how to collect and analyze fingerprints from a simulated crime scene, perform blood type analysis and conduct DNA fingerprinting.

**Dates & Times:** February 18-21, 2020 (Tuesday-Friday), 8:30 AM-2:30 PM

**Location:** Dana Mohler-Faria Science and Mathematics Center, Bridgewater State University

**Program Fee:** \$275.00

*This program is designed for students currently in grades 6-8.*

The program fee of \$275.00 covers all course expenses for Winter Science Academy, including lab supplies and materials. **The fee does not include lunch or transportation. Students must bring their own lunches.**

Limited scholarships are available to students who demonstrate significant financial need and academic merit.

***Please Note: Students who have already completed the Forensics Institute of Bridgewater in either the Winter Science Academy or the Summer Science Academy are not eligible to participate.***
