

In the spirit of open communication, “the Committee will hold a public participation segment (also called Citizen’s Comments) about matters not related to an agenda item at the beginning of each regular School Committee meeting. The Committee will listen to, but not respond to any comment made.... A Committee member may add an agenda item to a future meeting as a result of a citizen comment.... The Committee will hear public comments related to an agenda item when the Chair deems appropriate during the Committee meeting. Topics for discussion during the meeting must be limited to those items listed on the Committee meeting agenda for that evening....” - from Policy BEDH
