Special Revenue Funds

Particular fees, charges or other revenues segregated from the general fund into a separate fund and earmarked for expenditure for specified purposes by statute are called special revenue funds. Special revenue funds may be classified in several ways based on the availability of the funds for expenditure and the need for a prior appropriation. Special revenue funds include annual revenue funds, receipts, reserved for appropriation, revolving funds and gifts and grants from governmental entities and private individuals and organizations.

* This grant also funds stipends to staff (no FTE)

Critical Issues:

Funding for this grant may be reduced in FY19. It is uncertain, by exactly how much.

Goals & Objectives:

Services and activities must ensure compliance with state special education laws and regulations and the Individuals with Disabilities Education Act - 2004 (IDEA-2004).

- a. ensure that all children with disabilities have available to them a free and appropriate public education that emphasizes special education and related services designed to meet their unique needs and prepare them for further education, employment, and independent living;
- b. provide for the education of all children with disabilities;
- c. assess and ensure the effectiveness of efforts to education children with disabilities

The funds are used to support the larger district strategic objectives of for all students to develop connections to school, support behaviors and increase achievement in addition to ensuring that all students are supported and challenged to reach their full potential using best instructional practices to personalize learning and meet individual needs. This is accomplished through supplemental staffing, professional development, and the purchase of quality supplies and materials and technologies to meet student needs.

Funding Recommendation:

The FY19 budget recommendation for this grant is \$1,148,727 which represents level funding from the FY18 budget.

Title I, as reauthorized under the No Child Left Behind Act of 2001 (NCLB), provides supplemental resources to local school districts to assist low-achieving students in high poverty schools to meet the state's challenging academic standards. The priorities of Title I are to: (1) strengthen the core program in schools and provide academic and/or support services to low achieving students at the preschool, elementary, middle, and high school levels in support of NCLB goals; (2) provide programs based on scientifically based research that enable participating students to achieve the learning standards of the state curriculum frameworks; (3) elevate significantly the quality of instruction by providing staff with substantial opportunities for professional development; and (4) involve parents of participating public and private school children in the development of and participation in the program, activities, and procedures for parents and students to improve student achievement.

* This grant also funds stipends and payments to temporary staff (no FTE)

Critical Issues:

Federal funding for this grant may be reduced in FY19. At the time of this writing, it is uncertain, by exactly how much.

Goals & Objectives:

This grant program supports the district's goals that students will read widely, think critically, apply problem solving skills, and communicate effectively. This is accomplished using a balanced literacy approach with literacy across the curriculum as a key element of success K-12. Title I funding is designated as targeted assistance to specifically support literacy for selected students in grades K-2 in two of the six elementary schools. This is part of the district's effort to promote excellence for all students and to meet the needs of all learners.

Funding Recommendation:

The FY19 budget recommendation for this grant is \$123,906 which represents level funding from the FY18 budget.

The purpose of this federal grant program is to increase student achievement through comprehensive district initiatives that focus on the preparation, training, recruitment, and retention of highly qualified educators. These initiatives should be aligned with Massachusetts' reform efforts and should help districts meet the No Child Left Behind (NCLB) goals and requirements for highly qualified teachers, and instructional paraprofessionals in Title I targeted assistance and schoolwide programs, and high-quality professional development. The goal is to improve the overall effectiveness of all educators, including administrators, within the district.

Critical Issues:

There are no critical issues for this grant in FY19.

Goals & Objectives:

This grant program supports district goals regarding literacy across the curriculum, specifically at the secondary level. This support provides an appropriate transition from the elementary balanced literacy approach for students in grades 6-12. Grant funding supports the Keys to Literacy initiative as well as coordination of curriculum, instruction, and assessment efforts at the middle school level. Additionally, support for our English Language Learner (ELL) program is funded within this grant. Overall, the grant funding allows us to supplement the district's efforts to support the needs of all learners and promote excellence for all students.

Funding Recommendation:

The FY19 budget recommendation for this grant is \$75,896 which represents level funding from the FY18 budget.

The goal of this state-funded allocation grant program is to enhance academic support services for high school students who scored in the Warning/Failing or Needs Improvement levels (<240) on their most recent MCAS in English Language Arts or Mathematics, and/or the Warning/Failing level (<220) on their most recent Science and Technology/Engineering MCAS. Services are provided during the School Year and/or Summer programs. Services are also provided during summer programs to incoming ninth graders who meet the same criteria. These services are to supplement currently funded local, state, and federal programs.
