Tell Our Story (See More on Social Media)

- ★ September 17th was Constitution Day. Several classrooms engaged in activities connected to the Constitution. See Twitter, Instagram, or Facebook for examples.
- ★ Did you know that our fifth grade Keller Kids say the morning announcements over the PA system? With the help of Mr. Craddock, each morning, one fifth grader recites the Pledge of Allegiance, announces birthdays and other special events, and shares a joke of the day or example of how another Keller Kid demonstrated our core values.
