Procedure

Requests for public records may be made orally in person or in writing via letter or email to any one of

the Public Records Access Officers. Public records requests will not be accepted by telephone. Town related inquiries should be directed to the Town's Records Access Officers. School related inquiries should be directed to the Public School District Access Officers.

Good Faith Customer Service

In an effort to provide expeditious customer service, simple and reasonable records requests may be accessible at the department level upon request. If a Town Department receives a records request, the respective department shall make an effort to fulfill the request if it's simple, reasonable and can be easily produced by the department as part of regular business workflow. If the request requires more than one-half hour of staff time to collect requested records the department shall notify the Records Access Officers of such request for direction.

Policies

The Public Records Access Officers shall determine if there are any fees associated with a request.

The Town Attorney will track and record all public record requests for any mandatory reporting purposes for town department requests. The Superintendent's Office will track and record all public record requests for any mandatory reporting purposes for school department requests.

All town and school staff should be familiar with the [exemptions](#) to the definition of "public records" contained in the Public Records Law.

Records Retention

The Town of Franklin and the School Department shall follow the [Secretary of State's Municipal Records Retention Manual](#) for guidelines to minimize records storage costs to the Town.
