10/22/21	81% (1613)	74% (1461)	81% (1864)	75% (1724)	73% (24855)	68% (22961)

We are continuing to gather more specific vaccination information about Franklin Public Schools faculty and staff and students as we anticipate potential changes to the DESE mask mandate on or around November 1. At this time, we anticipate that DESE will provide an update early in the week of October 25, 2021.

¹This value represents that an individual diagnosed with COVID-19 was present in a school building. Non-exempt close contacts were notified directly and provided with testing and quarantine information. Classroom letters were also sent to individual classrooms to advise for the monitoring of symptoms.

²At this time, since case numbers at individual schools are 5 or below, out of consideration of privacy and best practices on reporting, we will not publish case counts at individual schools.

More information and definitions can be found on our [Back to School website](#).
