RE: School Choice

Public school choice is permitted by Massachusetts General Law (M.G.L.) Chapter 76, Section 12B. Local school committees are assumed to participate in public school choice unless a vote to opt out of public school choice is taken by the School Committee prior to June 1.

We have not participated in accepting school choice students since the 2007-08 school year.

Every year, we do get inquiries from families about whether or not Franklin permits school choice. Given the ongoing examination of Space Needs and Facilities Use by the District and School Committee, including potential redistricting, this may not be a good time for consideration. The Committee may wish to consider permitting school choice in the future during the development of future budgets.

I recommend that the Franklin School Committee vote to not accept any public school choice students for the 2022-2023 school year.
