# My Favorite thing about Jefferson...

All the teachers  
that greet you in  
the morning  
when you walk  
into the building

We have  
music!

Everyone is so  
nice and that  
you make  
everything fun

Hallways and  
classrooms that  
feel so welcoming  
and bright, and  
safe, and colorful

The library

Having Pajama Day  
and other fun  
things, like March  
Book Character  
Madness

Everyone is nice  
to each other

I get to see my  
friends and  
teachers and  
that makes me  
happy

Recess because I  
get to play with  
my friends

# From the Families

**This has been such a challenging year but my kids are still engaged thanks to all of you**

**I am always so amazed at how hard the teachers and everyone work at Jefferson Elementary. The passion they have for teaching and the kids shows in every situation thrown at them- remote, virtual, hybrid, in school, out of school, during a snow day- you name it!**

**I picked up my child from school yesterday and he hopped in the car and said "School was awesome!"**

# The Jefferson Song

It is a tradition at Jefferson to end  
our All School Meetings with our school song,  
written and performed by our music teacher Mr. Barrett!
