Superintendent's Report to School Committee December 11, 2018 School Committee Meeting

Commissioner of Education to Visit Franklin Public Schools

Jeff Riley, the Commissioner of Education in Massachusetts, visits districts all across the Commonwealth in order to get to know schools, districts, and towns. His office has reached out to set up a visit for Tuesday, March 12, 2019.

More information will be forthcoming in January on the schedule; in general, he will be here only briefly -- for a few hours. But we are looking forward to hosting the Commissioner and having him here in Franklin to look, listen, and learn about our talented educators, supportive parents and community, and superb students!

December and January Shows

I want to reiterate how many amazing things are happening across the district for our students, particularly as they showcase their talents at this time of year. Kudos to the students and staff for their preparation. To keep it top of mind, I am again including a link to our music calendar of events for the district.
